

The [DFG Research Training Group “Digital Platform Ecosystems \(DPE\)”](#) offers a position as

Student Assistant

with a working time of 20 hours per month, for an initial period of 12 months, starting as soon as possible. The remuneration is 13.25 euros per hour for a bachelor’s student and 15.25 euros per hour for a master’s student.

Job description

The student will support Dr. Chayanin Wipusanawan in the Research Area A.1 of the research training group. The work involves supporting research activities on topics related to economic behaviour and regulations in the digital markets, primarily using the tools of microeconomic theory (game theoretical models). Tasks include, but are not limited to,

- Researching the supporting information on relevant topics, and the academic literature in economics, information systems, business, law, or related fields
- Preparing supporting materials such as graphics and slides
- Occasionally, other organizational activities as requested

Your profile

- Enrolled as a bachelor’s or master’s student at the University of Passau (we are unable to employ students who have already finished a master’s degree)
- Interested in regulations in the digital markets or microeconomic theory
- Has a good command of English (Knowledge of German is not required)
- Able to come to the office of the research training group (HK 16) if needed
- A solid foundation in basic mathematics (at the level required for a bachelor’s study in economics) is an advantage
- Familiarity with LaTeX typesetting is an advantage

We offer

- Flexible working hours with the possibility of working remotely (Working space in our modern office in HK 16 can also be provided)
- Insights into research in the economics of information systems
- An open and international academic environment at the research training group

We look forward to receiving your application documents (short cover letter, curriculum vitae, transcript of records). Please send your application documents by e-mail as one PDF file to chayanin.wipusanawan@uni-passau.de. We will accept applications until the position is filled. We will start reviewing received applications on **22 November 2024**. E-mail applications will be deleted no later than five months after completion of the application process.

The University of Passau intends to increase the percentage of women and strongly encourages women to apply. The position is suitable for severely disabled persons. Severely disabled applicants will be given preference in the case of equal suitability, expertise, and experience.
